

KENTUCKY GREEN LIVING FAIR 2023

TO BENEFIT

PRESENTED BY:

Weichert
REALTORS®
Ford Brothers

JOHN FITZWATER
REALTOR®

The funds from this year's Kentucky Green Living Fair are going to our friends at Red Oaks Forest School. Red Oaks has been instrumental in

getting families all across Kentucky out into nature. They are working to raise the next generation of leaders in sustainability—kids who don't just know the fun of a day spent playing in the creek but also understand that clean water, clear air, and a healthy environment are essential to our communities. Your ticket price today helps support this important work, but please consider making an additional tax deductible donation to Red Oaks!

Visit their website today to learn how you can involved.

SPEAKEASY
COMMUNICATIONS

Public Relations • Social Media • Marketing

www.speakeasycommunications.net

We celebrate the producers of the American South and Appalachia by sourcing 40% of our ingredients from local and regional farmers.

Our combination of southern-grown heritage ingredients includes: southern sorghum syrup, hemp seeds, chia seeds, Appalachian sea salt and wild seedling pecans, creating a

flavor that is unique to the south without any artificial hooley. **BOOTH #13**

Raised Bed Gardening 101

Save Space but Garden More

Workshop Series includes:

April 14 at 5 PM: Starting from
The Cardboard Up - The Design

May 30 at 6 PM: Raised Bed
Pitfalls - What to Avoid

June 27 at 6 PM: Crop
Rotations & Companion
Planting

July 25 at 6 PM: Planting for
Fall Harvests

September 26 at 6 PM: Extend
Your Harvests thru the Winter

Skip the open ground
and turn to "higher"
ground for seeding
your favorite plants.
Thanks to raised beds,
your garden can be
virtually anywhere
while maintaining ideal
soil and growing
conditions.
